

THU 15 Oct 2026

Time	Grand Ballroom 1	Canary Room	Oriole Room	Pelican Room
08:00-17:00	REGISTRATION			
08:30-10:30	OPENING CEREMONY <u>Master-of-Ceremonies</u> Cassie Yang Louise Lo 08:30-08:35 Welcome Address - Joyce Koh , President of Singapore Orthopaedic Association 08:35 -09:00 Opening Address <u>Guest-of-Honour</u> Prof Tan Chorh Chuan <u>Citation</u> Joseph Thambiah 09:00-09:45 Singapore Orthopaedic Association Lecture 'Curiosity has Its Own Reason for Existing' - Simon Lambert , UK <u>Citation</u> William Xia 09:45-10:30 N Balachandran Professorship Lecture - Makoto Kamegaya , Japan <u>Citation</u> James Hui			
10:30-11:00	Coffee Break			
11:00-12:15	SYMPOSIUM 1 The Cutting Edge: Evolving Concepts in Upper Limb Trauma <u>Moderators</u> Bryan Tan , Singapore Thomas Kuo , Singapore 11:00-11:15 Changing the Paradigm: How One can Successfully Fix the Clavicle - Martin Jaeger , Germany 11:15-1130 The Rising Tide: Solving Periprosthetic and Peri-implant Fractures in the Upper Extremity - Simon Lambert , UK 1130-1145 Beyond the Blade - Advanced Management of Scapular, Shoulder Girdle and Chest Wall Trauma - Peter Cole , USA 1145-1200 Surface Finish-electropolishing of VOLT Plates: Implications in the Upper Extremity - Geoff Richards , Switzerland 1200-1215 Q & A	SYMPOSIUM 2 Robotics in TKA – Fundamentals, Indications & Value <u>Moderators</u> 1100-1110 Welcome Address and Introduction of Theme & International Faculty – Darren Tay , Chair of SOA-Singapore Arthroplasty Society 1110-1125 Transitioning to Analytical TKA: The 'Why' and the 'How' – From Empirical to Analytical – Zhou Yixin , China 1125-1140 Building the SGH Robotic Arthroplasty Programme – Cost, Benefits, and Sustainable Implementation – Darren Tay , Singapore 1140-1155 Robotic-assisted Management of the Stiff Knee – Strategies, Pitfalls, and Outcomes – Zhang Hai Ning , China 1155-1215 Q & A	SYMPOSIUM 3 Sports/Paediatrics <u>Moderators</u> Keith Wan , Hong Kong James Hui , Singapore Dave Lee , Singapore 1100-1110 All-Arthroscopic Medial Patellofemoral Ligament Reconstruction - Wang Jianquan , China 1110-1120 ACL Deficiency and Meniscal Injury – Dave Lee , Singapore 1120-1130 A Quantitative Fatty Infiltration Evaluation of the Supraspinatus Muscle: Enhanced Clinical Relevance and Improved Diagnostic Value on Predicting Retear Compared with the Goutallier Classification – Jiang Chunyan , China	SYMPOSIUM 4 Research and Innovation <u>Moderators</u> Suresh Siva , Malaysia Kizher Shajahan , Singapore 1100-1115 Organising and Execution of a Multi-center Clinical Study – Shi Zhongmin , China 1115-1130 Redefining Orthopaedic Research in the Era of Regeneration, Technology and AI – Tunku Kamarul Zaman , Malaysia 1130-1145 Best Clinical Practice in Stem Cell Applications – Ismail Hadisoebroto , Indonesia

THU 15 Oct 2026

Time	Grand Ballroom	Canary Room	Oriole Room	Pelican Room
			1130-1140 Meniscal Root Injury: to Operate or Not to Operate? - Timothy Teo, Singapore 1140-1150 Slope-reducing Anterior Closing Wedge (ACW)-high Tibial Osteotomy in ACL Reconstruction - Zhang Hui, China 1150-1200 Chondral Lesion in Patellofemoral Conditions – James Hui, Singapore 1200-1210 Short-Term Complications of Arthroscopic Bristow or Latarjet Procedure with Screw Versus Suture-button Fixation – Shao Zhenxing, China 1210-1215 Q & A	1145-1200 Regenerative Orthopaedics in Indonesia: From Biological Innovation to Responsible Clinical Translation – Bintang Soetjahjo, Indonesia 1200-1215 Discussion
12:15-12:45	INDUSTRY LUNCH SYMPOSIUM 1 DEPUY SYNTHES Shaping Stability: The Evolution of Proximal Humerus Plate Design <u>Moderator</u> Bryan Tan, Singapore 1215-1220 Welcome Speech – Bryan Tan	INDUSTRY LUNCH SYMPOSIUM 2 PLATINUM MEDICAL	INDUSTRY LUNCH SYMPOSIUM 3 QUANTUM TX	APORS Ex-Co Meeting
12:45-13:15	1220-1240 The Evolution from PHILOS to VOLT Proximal Humerus Plate: Adaptations for Global Clinical Needs - Simon Lambert, UK 1240-1300 Illustrative Cases - Martin Jaeger, Germany 1300-1310 Q & A 1310-1315 Closing - Bryan Tan	INDUSTRY LUNCH SYMPOSIUM 4 MIRACO NUTRIPHARM	INDUSTRY LUNCH SYMPOSIUM 5 ENDOCARE	

Time	Grand Ballroom 1	Canary Room	Oriole Room	Pelican Room
13:30-15:00	SYMPOSIUM 5 The Shoulder Trauma Master Class: Nuances, Debate and Biological Fixation <u>Moderators</u> Kevin Yik, Singapore Andy Wee, Singapore 1330-1350 The Unstable Shoulder Girdle: Current Controversies in the Lateral Clavicle & ACJ Reconstruction - Martin Jaeger, Germany 1350-1410 The Reconstructive Crossroads: Fixation vs Replacement for the 4-part Proximal Humerus - Simon Lambert, UK 1410-1430 Minimally Invasive Humerus Fixation: Technical Pearls to Protect the Biology - Jae Woo Cho, Korea 1430-1450 My Journey in Brachial Plexus Surgery - The Procedures of Nerve, Muscle, and Nerve Tissue Engineering - Heri Suroto, Indonesia 1450-1500 Q & A	SYMPOSIUM 6 AI, 3D Printing and Customisation – The Digital Toolkit <u>Moderators</u> 1330-1345 AI and 3D Printing Application in Arthroplasty - Peng Xiao Chun, China 1345-1400 Robotic-assisted Arthroplasty: Clinical Outcomes and Future Directions - Yang Pei, China 1400-1415 Synergizing Robotic Assistance with Customized Implants for Superior TKA Outcomes – Zhou Yi Xin, China 1415-1430 Digital Workflow for Patient-specific Implants – The Singapore Perspective Local – tbc 1430-1445 Periprosthetic Fractures – Evolving Management Strategies with and without Robotic Preoperative Planning – tbc 1445-1500 Q & A	SYMPOSIUM 7 Deformity Session <u>Moderators</u> Reuben Soh, Singapore Gabriel Liu, Singapore 1330-1340 Adolescent Scoliosis: Association of Lung Function with Intrathoracic Arterial, Bronchial and Cardiac Structures - Marinus de Kleuver, Netherlands 1340-1350 How to Restore Thoracic Kyphosis in AIS – Zheng Zhaomin, China 1350-1400 Surgical Experience and Recent Advances in the Treatment of DMD Scoliosis - Hak Sun Kim, Korea 1400-1410 Staying Ahead of the Curve: Surgical Strategies in Scoliosis Across Ages - Alex Teo, Singapore 1410-1420 The Role of Rehabilitation in Spine Deformities: from the Evidence to the Patient - Sabrina Donzelli, Italy 1420-1430 Making AIS Physiotherapy Work in Real Life; Protocols and Lessons Learnt - June Quek, Singapore 1430-1500 Q & A	SYMPOSIUM 8 Limb Preservation Society
15:00-15:30	INDUSTRY TEA SYMPOSIUM 6 STRYKER	INDUSTRY TEA SYMPOSIUM 7 HANGZHOU JIANJIA MEDICAL	INDUSTRY TEA SYMPOSIUM 8 EPLUS HEALTHCARE	

THU 15 Oct 2026

Time	Grand Ballroom 1	Canary Room	Oriole Room	Pelican Room
15:30-16:30	SYMPOSIUM 9 Musculoskeletal and implant related Infections (SOA-APORS) <u>Moderators</u> Lo Ngai Nung, Singapore tbc 1530-1535 Introduction to Geoff Richards, Switzerland Tunku Kamarul Zaman, Malaysia 1535-1550 Plenary: Advancing Local Antibiotic Delivery for Fracture-related Infections, Geoff Richards, Switzerland 1550-1605 Microbial Management – Jasmine Chung, Singapore 1605-1620 Infected Non-union - Dhaval Desai, India 1620-1630 Discussion 1630-1645 Revision for Periprosthetic Joint Infection (PJI) – The "Stage 1.5" Concept and Asian - Specific Considerations – Panel 1645-1700 Infection Case 2 (Upper Extremity) - tbc		SYMPOSIUM 10 Emerging Trends in Spine Surgery, SSS Young Surgeons <u>Moderators</u> Ng Yeong Huei, Singapore Jacob Oh, Singapore 1530-1540 Anterior/lateral Approach to the Lumbar Spine for Revision and Deformity Surgery – Christian Heng, Singapore 1540-1550 Endoscopic Spine Surgery: Evolution, Current Practice, and Future Trends - Tamara Soh, Singapore 1550-1600 The Collapsing Spine: Between Restoration and Restraint – Joshua Decruz, Singapore 1600-1610 Embracing the Era of Intelligence: The Present and Future of Robot-assisted Spine Surgery - Fan Ming Xing, China 1610-1630 Q & A	FREE PAPER 1
16:30-17:30		FREE PAPER 2	FREE PAPER 3	FREE PAPER 4
19:00-21:30	PRESIDENTIAL DINNER The Empress Restaurant @Asian Civilisations Museum (<i>by invitation</i>)			

FRI 16 Oct 2026

Time	Grand Ballroom 1	Canary Room	Oriole Room	Pelican Room
06:30-07:30	Morning Run (Cophthorne-Merlion Park)			
07:30-17:00	Registration			
08:00-08:30		FREE PAPER 5		FREE PAPER 6
08:30-09:30	P Balasubramaniam YOIA <u>Moderator</u> <u>Judges</u> Ma Xin, China Navin Thakkar, India Tunku Kamarul Zaman, Malaysia Geoff Richards, Switzerland			
09:30-10:30	DONALD GUNN LECTURE Evolution of Elbow Replacement Surgery in Singapore - A Journey Through 30 Years - Brian Lee, Singapore <u>Citation</u> Li Yung Hua, Singapore			
10:30-11:00	Coffee Break			
11:00-12:30	SYMPOSIUM 11 Complex Case Management – Revision Challenges Across Asia <u>Moderators</u> 1100-1115 Flexion-varus Tibia Plateau Fractures – Luo Cong Feng, China 1115-1130 Managing Complex Primary and Revision Arthroplasty in a Resource - Limited Setting – The Philippine Experience - Marcelino Cadag, Philippines 1130-1145 Complex Primary and Revision Arthroplasty in Indonesia – Overcoming Challenges Without Robotic Support - Ismail Hadisoebroto, Indonesia 1145-1200 Hybrid OT in the Emergency Department: Transforming Acute Pelvic Trauma Management - Rui Biyu, China 1200-1230 Q & A	SYMPOSIUM 12 The Elbow and Beyond: Evolving Challenges and Novel Solutions <u>Moderators</u> Chin Kuen Foo, Singapore Puah Ken Lee, Singapore 1100-1115 The Nightmare Elbow: Navigating Complex Fracture - Dislocations and Instability – Christian Fang, Hong Kong 1115-1130 Reconstructing the Forearm Axis: Managing Complex Both - Bone Fractures - Jae Woo Cho, Korea 1130-1145 Infection in the Hand and Wrist – Could We be Facing a Periprosthetic Infection Endemic? – Ryan Trickett, UK 1145-1200 Neuromuscular Conditions of the Upper Extremity - Lam Wee Leon, Singapore 1215-1230 Q & A	SYMPOSIUM 13 Spine Osteoporosis <u>Moderators</u> Dinesh Kumar, Singapore Ou Yang Youheng, Singapore 1100-1115 What is the Role of Pure Pharmacological Treatment of Osteoporotic Vertebral Fractures? - Chi Chien Niu, Singapore 1115-1130 Vertebral FLS: A Targeted Approach to Secondary Fracture Prevention - Sabarul Mokhtar, Malaysia 1130-1145 Instrumentation in the Osteoporotic Spine: What to Consider? – Bimal Pandey, Nepal 1145-1200 Complex Osteoporotic Fractures: What is the Best Practice (case presentation and discussion) – Dalun Leong, Singapore 1200-1230 Q & A	FREE PAPER 7

Time	Grand Ballroom 1	Canary Room	Oriole Room	Pelican Room
12:00-12:30	INDUSTRY LUNCH SYMPOSIUM 9 ZIMMER	INDUSTRY LUNCH SYMPOSIUM 10 DTG	LUNCH SYMPOSIUM 11 AK MEDICAL
